
TIMELINE COLLECTION

Product Specification Sheet

This document contains technical information about the TimeLine Collection

DISCRIPTION

Today's working environment is becoming increasingly intertwined with the living space and that demands a different design philosophy. The Timeline Desk series is a modern line of desks that unites interior design with functionality in any room.

The minimalistic line saves space, keeps your work organised and is ideal for studying and working.

The TimeLine collection is completely customisable.

The combination of wood and steel in this series of desks creates a simple interplay of lines.

Select the model, colour, shape and size to create your ideal workspace.

The Timeline Series is also ideal for furnishing projects. Its timeless design, versatility and upholstery means it can be used in any interior and project design.
