

## NEXT SERIES

### Product Specification Sheet

---

---

This document contains technical information about the Next Series

---

## Description

Looking for a faster way to charge your Apple iPhone or Samsung device? Our Next - Fast Charger is equipped with one large induction coil (15W output). It supports both Apple Fast Charge and Samsung Fast Charge, resulting in significantly shorter charging times for your Apple iPhone 8/8Plus/X or your Samsung Galaxy S7/S8/S9. The introduction of 15W wireless charging solutions strongly improves user-experience.

An advanced and elegant side table full of innovation.

NEXT is a playful and solid side table, integrating the latest technologies. It's versatile size serves a wide range of functions, from standing by a office, home or a dynamic place.

\*notice: All devices in support of Qi wireless charging can be used. When you are in the UK / US, please let us know in the instructions during checkout, so that we can send you the right power plug.
