

# CLOUD Home Desk

The Cloud desk is a minimalistic luxurious smart desk that stores cable clutter, adapters and other unsightly messes beneath the desktop to maintain a clean workspace.

The Cloud desk also comes standard with a Qi receiver hidden in the tabletop to charge all types of Qi smartphones. The cloud desk is made from solid wood and steel for lasting durability.

The desk is a modern, tech-friendly design that stores your notebook, tablet and smartphone. Everything kept out of sight in the storage compartment just under the sliding
