

STAGE SERIES

Product Specification Sheet

This document contains technical information about the Stage Series

Description

The 'Stage' Charging shelf is an elegant meeting place for all your re-chargeable handheld devices. From now on, your furniture is about to be smarter and more beautiful. The Stage is easy to mount on most common walls and has enough space to hold up a five-plug international power strip. The 'Stage' is widely adaptable such as in the living room, in the hallway, next to the sofa or two on each side of your bed. The stage is equipped with two integrated premium soft-close drawer guides.
