

## SWAY SLIM SERIES

### Product Specification Sheet

---

---

This document contains technical information about the Sway Series

---

## Description

The Sway table series is designed to offer interaction, communication and intimacy. This elegant slimmer round table version is crafted in Holland from sustainable solid oak.

You can add a discreet outlet for cables in the center of the table. The simple lines of the Sway Series are designed to form a perfect foundation in a dining area, library or any work place, making them look elegant and timeless.
